Thanda win was stunning!

My husband and I made use of my prize at the Thanda Private Game Reserve recently. It was stunning! Probably one of the best weekends we have ever had.

The accommodation was out of this world, the food absolutely perfect, and the service excellence of the staff fantastic.

We'd never have been able to have this experience if it hadn't been for the prize from FEMINA magazine.

I'll be forever grateful – thanks for the memories!
